

**AMIA** the association of moving image archivists

## **The Maryann Gomes Award**

**2004**

### **Gerald Foley, State Film Archives of Western Australia**

Gerald works as Archivist for the State Film Archives of Western Australia, which according to Gerald is "the only dedicated regional film archive in any of the Commonwealth of Australia's States and Territories." Gerald has never attended an AMIA conference, but has been very active on the AMIA listserv and also on Regional Audio-Visual Archives Interest Group (though in absentia). Gerald not only in met and networked with other professionals at the conference, but also visited other regional moving image archives in North America during his stay.
